RING SIZE GUIDE

Please set this guide to 100% scale and print it on A4 paper, then use the ruler to find the right size for you. You can put a credit card or bank card on the rectangle below to verify the accuracy of the printed dimensions. If the length of the card fits in the rectangle, the scaling is accurate.

Place credit card here
to confirm tool was printed with
the correct proportions.

Measure with a ring

1. Take the ring you would like to measure.
2. Place it flat on the top of the black circles.
3. Go from the smallest circle until the black area fills up the inside of the ring entirely.

4. Scan this QR code and follow the instructions.

Tip : If you are hesitating between two sizes, choose the larger one.
